

COMMENCEMENT CEREMONIES

FALL 2020

“Go forth with Spartan pride and confidence, and never lose the love for learning and the drive to make a difference that brought you to MSU.”

Samuel L. Stanley Jr., M.D.
President
Michigan State University

Photo above: an MSU entrance marker of brick and limestone, displaying our proud history as the nation's pioneer land-grant university. On this—and other markers—is a band of alternating samara and acorns derived from maple and oak trees commonly found on campus. This pattern is repeated on the University Mace (see page 10).

Inside Cover: Pattern of alternating samara and acorns.

Michigan State University photos provided by University Communications.

ENVIRONMENTAL STEWARDSHIP

Mock Diplomas and the

Commencement Program Booklet

Commencement mock diplomas, which are presented to degree candidates at their commencement ceremonies, are 30% post-consumer recycled content. The Commencement program booklet is 100% post-consumer recycled content.

Caps and Gowns

Graduating seniors' caps and gowns and master's degrees' caps and gowns are made of post-consumer recycled content; each cap and gown is made of a minimum of 23 plastic bottles.

Recycle Your Cap and Gown

Once all of your favorite photos are taken on campus, please recycle your gown at the MSU Union Spartan Spirit Shop.

For additional information about environmental stewardship at MSU, please visit Be Spartan Green at bespartangreen.msu.edu

MISSION STATEMENT

Michigan State University, a member of the Association of American Universities and one of the top 100 research universities in the world, was founded in 1855. We are an inclusive, academic community known for our traditionally strong academic disciplines and professional programs, and our liberal arts foundation. Our cross- and interdisciplinary enterprises connect the sciences, humanities, and professions in practical, sustainable, and innovative ways to address society's rapidly changing needs.

As a public, research-intensive, land-grant university funded in part by the state of Michigan, our mission is to advance knowledge and transform lives by:

- providing outstanding undergraduate, graduate, and professional education to promising, qualified students in order to prepare them to contribute fully to society as globally engaged citizen leaders
- conducting research of the highest caliber that seeks to answer questions and create solutions to expand human understanding and make a positive difference, both locally and globally
- advancing outreach, engagement, and economic development activities that are innovative, research-driven, and lead to a better quality of life for individuals and communities, at home and around the world.

December 2020

President

CONGRATULATORY LETTER

DEAR SPARTAN GRADUATES:

Please accept my warmest congratulations on your attainment of a Michigan State University degree. It will provide you a lifetime of benefits, affiliations and pride.

Your achievement is even more impressive given the additional burdens imposed by the novel coronavirus this year. Please know all of us at MSU are proud of your accomplishment, effort and resilience as you've worked so hard to arrive at this special day.

Always among my fondest memories are those of the interactions I've had with students, even in virtual settings. You and your fellow students have responded to the challenges in front of you both with individual determination and a shared sense of purpose to make a positive difference on this campus and in this world.

The future might feel uncertain, but I urge you to have faith in yourself and lean on the many lessons you learned as a student. Your MSU experience has equipped you with a solid foundation of knowledge, skills and experience from which to proceed in the months and years ahead.

As one important chapter closes, another opens and will continue to offer opportunities for the investment of your attention and action. Engage in the joys and challenges of life by creatively applying your growing experience and wisdom to each new day and, in true Spartan spirit, work to make your community and the world a better place.

I hope you always feel welcome here on the banks of the Red Cedar and that you will return often. You now join the ranks of more than 500,000 Spartan alumni worldwide, and I encourage you to continue participating in the life of your university through MSU Alumni and other activities.

Please accept my very best wishes as you go forth, go confidently and Go Green!

Sincerely,

Samuel L. Stanley Jr., M.D.
President
Michigan State University

December 2020

Provost and Executive Vice President for Academic Affairs

CONGRATULATORY LETTER

DEAR GRADUATES:

Congratulations to you and your families on the successful completion of your studies and the conferral of your degrees.

As Michigan State University students, you have been part of our vibrant community of scholars, united by the values and goals we share to make a positive difference in the world. While you are now preparing to embark on your next adventure, it is my hope that you remain active members of our community, that you engage with our worldwide alumni network, and that you come back often to visit campus in the years to come. In much the same way that you are all lifelong learners, you are also lifelong Spartans.

This past academic year has been like no other, requiring us to adjust to a new reality at each turn, and to find deeper resilience with each new challenge we have faced. I do not think the pandemic that has disrupted our lives so severely this year is the last challenge your generation will witness in your lifetime. I also think that your generation will be called upon to address many future hardships we cannot yet see, or even fathom.

At this time, and at this great university, where your physical health and intellectual health have formed the basis for every decision MSU has made this academic year, we hope our deliberate actions to enable your ability to graduate this year have allowed you to

continue on the path toward whatever exciting future follows this auspicious day. We also hope that the resilience you have built, the ways you have navigated decisions that were not your own – but under which you still had to labor – become strengths of character you carry with you long into the future. I know the world is going to need you, and I look forward to learning of your extraordinary achievements and world-changing accomplishments.

As you and your families celebrate your success at Michigan State University, I wish you the very best in your personal and professional pursuits. As our newest graduates, you are abundantly equipped to tackle the seemingly intractable problems of our day. We are all counting on you to become the thought leaders and doers of the 21st century who will lead our world to a better place.

With my very best wishes,

Teresa K. Woodruff, Ph.D.
Provost and Executive Vice President for
Academic Affairs
Michigan State University

December 2020

Executive Vice President for Health Sciences

CONGRATULATORY LETTER

DEAR FRIENDS:

Congratulation health college graduates! Today represents a truly special day. In making it to today, you dug deep when you felt you had little left to give. You kept the faith in the presence of enormous obstacles. You invariably got back up after being knocked down. You worked while others played. Take a moment, and realize the magnitude of what today represents. Today, we celebrate with you and for you.

For family and friends of our graduates, thank you in partnering with us; it is an immeasurable joy seeing potential, commitment, and drive come together to accomplish the goal of attaining a degree. You have encouraged, hoped, and hugged to help our graduates reach their goal. Your efforts will make a difference in the lives of many....manifest in the work that your graduate will provide for those in need.

For the faculty and the staff, accept my deep gratitude observing that your efforts have resulted in graduating a truly extraordinary group of individuals. Our graduates are well prepared, they care deeply, they will make a difference in the lives of many.

Graduates, you have transformed your hopes and dreams into an extraordinary achievement. Your best has brought you to this day. You join the Spartan community of those prepared and committed to serving others. There will be times where the challenges seem insurmountable. Know that we are here to support you in your journey forward. As a two-time Spartan graduate, I have been strengthened throughout my career by the MSU values, insights, friends and mentors I attained. Know that we are always here. Together, everything is possible.

Peace and Grace to All of You.

Norman J. Beauchamp, MD MHS
Executive Vice President for Health Sciences
Michigan State University

MICHIGAN STATE UNIVERSITY

Michigan State University, founded in 1855, is a leader in realizing the ideal of democratizing education and knowledge. Officially named the Agricultural College of the State of Michigan, it became the model for all land-grant institutions established by the Morrill Act, passed by Congress in 1862. The research and knowledge developed at land-grant institutions provides practical solutions that make a difference in the lives of individuals and in communities. Now, as a major public research university with global reach, Michigan State University continues this tradition with its commitment to advancing knowledge and transforming lives across the state, the region, and around the world.

From its beginnings on the site where Beaumont Tower now stands, the East Lansing campus has grown from 677 to 5,200 acres, and from three to 545 buildings. Today, nearly 20,000 acres are used throughout Michigan for agricultural and natural resources research and for education.

MSU has more than 50,000 students from all 83 counties in Michigan, all 50 states, and more than 130 other countries. There are more than one-half million Spartan alumni living around the globe.

Since its agricultural beginnings, MSU has grown to 17 degree-granting colleges offering more than 200 programs of study, including graduate and graduate professional education. The Honors College attracts academically talented scholars and enables these students to pursue individualized, enriched programs of study.

Research and other grants total nearly \$600 million in 2014–15. The top federal funding agencies include the U.S. Department of Energy (DOE), the National Science Foundation, the U.S. Department of Health and Human Services, U.S. Agency for International Development, the U.S. Department of Agriculture, the U.S. Department of Education, and the U.S. Department of Defense. Other externally funded research programs include the MSU–U.S. DOE, Plant Research Laboratory, the Center for Advancing Microbial Risk Assessment, the Great Lakes Bioenergy Research Center, the Energy and

Automotive Research Laboratory Centers, the Composite Vehicle Research Center, the U.S.–China Center for Research on Educational Excellence, the Center for Advanced Study of International Development, and the Center for International Business Education and Research.

The National Superconducting Cyclotron Laboratory is the premier rare isotope research facility in the nation. In December 2008, the U.S. DOE selected MSU to design and establish the Facility for Rare Isotope Beams (FRIB). The proposed \$730 million facility will bring together an international community of leading scientists. Their work will help unlock the mysteries of the universe and promote breakthrough applications for medicine, security, and industry.

MSU Extension reaches into all 83 counties in Michigan to provide practical, university-based knowledge. The AgBioResearch encompasses the research of more than 300 scientists in a network of 13 research centers across the state. Their work ranges from agricultural production, alternative energy and biofuel production, food safety and environmental stewardship to childhood obesity, community development, and the quality of life of Michigan youth and families.

University Outreach and Engagement connects faculty with external audiences and constituencies to address community issues through research and collaboration. MSU Global extends academic and professional degree and certificate programs to off-campus learners.

MSU is a national leader in education abroad among U.S. public universities with more than 275 programs on all continents in more than 60 countries. Nearly 3,000 MSU students participate in education abroad each year.

Michigan State University is a member of the Association of American Universities, the Association of Public and Land-grant Universities, the American Council on Education, the American Council of Learned Societies, the Council of Graduate Schools, and the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation).

CEREMONY LYRICS

THE STAR SPANGLED BANNER

O, say, can you see
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming,
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched,
were so gallantly streaming?
And the rockets' red glare,
the bombs bursting in air,
Gave proof through the night
that our flag was still there.
O, say, does that
star-spangled banner yet wave,
O'er the land of the free,
and the home of the brave.

AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea!

ALMA MATER*

M.S.U., We love thy shadows,
when twilight silence falls,
Flushing deep and softly paling,
o'er ivy-covered halls.
Beneath the pines we'll gather,
to give our faith so true,
Sing our love for Alma Mater,
and thy praises, M.S.U.
When from these scenes we wander,

and twilight shadows fade,
Our mem'ry still will linger,
where light and shadows played;
In the evening oft we'll gather,
and pledge our faith anew,
Sing our love for Alma Mater,
and thy praises, MSU.

MSU FIGHT SONG**

On the banks of the Red Cedar,
is a school that's known to all;
Its speciality is winning,
and those Spartans play good ball;
Spartan teams are never beaten,
all through the game they fight;
Fight for the only colors,
Green and White.
Go right thru' for MSU,
watch the points keep growing.
Spartan teams are bound to win,
they're fighting with a vim.
RAH! RAH! RAH!
See their team is weakening,
we're going to win this game.
Fight! Fight! Rah! Team, Fight!
Victory for MSU.

*The lyrics of *Alma Mater* were written by Bernard Traynor (MSC Athletic Department, 1925–1927). The melody is based on Donizetti's *Lucia di Lammermoor*. It was not until March 30, 1949, after a vote by the students, that the popular song on campus known as the *MSU Shadows* was finally adopted as the official *Alma Mater*.

**Lyrics by Francis Irvin Lankey (MSU Engineering, 1916).

UNIVERSITY MACE

Michigan State University is pleased to include the University mace in commencement ceremonies. The introduction of the mace, at the 2005 Founders' Day celebration and inauguration of MSU's twentieth president, serves to commemorate the sesquicentennial celebration. The University, founded in 1855, celebrated its 150th birthday in 2005. The mace was designed by University Relations and produced by Physical Plant staff.

Historically, the mace is a symbol of authority dating from medieval times when knights carried them during processions with their kings. As the tradition grew, the mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a university's mace is carried before the president or chancellor and platform-party dignitaries at commencement, inaugural, and other academic ceremonial processions.

The Michigan State University mace, 42 inches in length, includes important institutional symbols in its finial, crown, and shaft. The finial depicts the circular University seal, which includes an image of "Old College Hall." This oak-carved seal derives from an 1869 State Board of Agriculture (now, Board of Trustees) authorization for a woodcut to be used as the frontispiece of the college academic catalog. College Hall, built in 1856, was the first instructional building erected in the United States for the teaching of scientific agriculture. When it collapsed in 1918, John Beaumont (class of 1882) provided funds to erect Beaumont Tower in 1928 at the same location. The tower stands as a symbol of Michigan State's beginnings as the first land-grant college dedicated to teaching "agriculture and the mechanic arts" with a "liberal and practical curriculum."

The mace's crown is trimmed with a maple samara and acorn pattern carved from walnut, a pattern drawn from the "Michigan State College" limestone relief at the Abbot Road and other campus entrances. An image of Beaumont Tower lies in the crown's oak center. Below the crown is the cylindrical shaft, whose alternating, horizontal oak and walnut bands descend to a brass tip. Its oak is purported to be "Beaumont oak," that is, from one of the original saplings surrounding College Hall. Its walnut is from a tree removed to clear land for the Wharton Center for Performing Arts in 1982.

In its soaring verticality, Beaumont Tower continues to inspire the MSU community and is an appropriate symbol for the MSU mace. As President Robert S. Shaw (1928-1941) stated at the tower's dedication, it has served as "a unifying factor" to remind us, even through our individual activities, of the overall mission of Michigan State University to inspire us by "appealing to many of the better things in us" and to encourage us to "live up to higher standards, scholastically, socially, morally, and spiritually in all of our affairs."

ACADEMIC ATTIRE

In 1895, the Intercollegiate Commission, a group of leading American educators, introduced an academic costume code which by design of gowns and hoods would indicate the various degrees, and which by colors would identify the various faculties.

Three types of gowns are indicated by the code. Those worn by the bachelors have long, pointed sleeves. Those worn by masters have long, closed sleeves with the arc of a circle near the bottom. Doctoral gowns are faced with velvet. The sleeves are full, round, and open with three bars of velvet on each sleeve. The velvet facing of the bars on the sleeves may be black or the same color as the binding of the hood.

Hoods are made of material identical with the gown and are lined in the official academic color of the institution conferring the degree (e.g., green and white for MSU). If the institution has more than one color, the chevron is used to introduce the second color. Colored velvet or velveteen binds the hoods and indicates the department of faculty to which the degree pertains.

The color of the velvet of the hood is distinctive of the subject to which the degree pertains. For example, the trimming for the degree of Master of Science in Agriculture should be maize, representing agriculture, rather than golden yellow, representing science. Generally, the code for the velvet of the hood is the same as listed for tassels.

At Michigan State University, it is customary to identify the candidates graduating from the different areas of study by tassels of the official color as established by the Intercollegiate Code. Candidates graduating from the Honors College wear a white stole with the initials "HC." Candidates graduating "With Honor" or "With High Honor" wear a gold braid.

KEYNOTE SPEAKERS

Alumnus Eli Broad, for whom MSU's Eli Broad College of Business is named, is a renowned business leader who built two Fortune 500 companies from the ground up. Not only is he a successful entrepreneur, but Mr. Broad and his wife, Edythe, are engaged in many important philanthropic endeavors. In fall 2002, Michigan State University proudly awarded Mr. Broad an honorary doctorate of humanities.

Eli Broad and his wife, Edythe, with a total gift of \$28 million, have made contemporary art available to the entire Michigan State University community and those who visit us from around the globe. The Eli and Edythe Broad Art Museum officially opened November 10, 2012. The world-class art museum is designed by Pritzker Prize-winning architect Zaha Hadid. For information about the facility, exhibitions, and programs, please visit broadmuseum.msu.edu.

We tell our graduates to "Come Home Often." We hope that you, and your family, will come home often and include a visit to the Eli and Edythe Broad Art Museum.

KEYNOTE SPEAKERS

Baccalaureate Degree Ceremony

DRAYMOND GREEN

Draymond is someone who probably doesn't need an introduction to most Spartans.

He's a standout from Saginaw who appeared in 145 basketball games over four seasons at MSU. He is the program's all-time leading rebounder and ranks second in career steals and triple-doubles.

He was named the 2012 Big Ten Jesse Owens Male Athlete of the Year following his senior season. That year he also earned Big Ten and NABC National Player of the Year honors, and was a consensus First Team All-American.

Since then he's proved a smart pick by the Golden State Warriors, who have won three NBA championships since 2015. He was the first player in franchise history named NBA Defensive Player of the Year and is a three-time NBA All-Star ... and I could go on.

He is a leader on the court, and off. His gift in 2015 to MSU's capital campaign was the largest single gift to MSU Athletics from a former student-athlete.

He continues to be a huge ambassador for Michigan State. Most recently, he was active in stressing the importance of voting and voter education among the Spartan community and throughout the state.

KEYNOTE SPEAKERS

Master's Degree Ceremony

TODD PENEGOR

Todd Penegor is an alumnus of the Eli Broad College of Business. He grew up in Iron Mountain in the western Upper Peninsula, where his family owned a Wendy's franchise.

He spent 12 years at Ford Motor Co. before joining Kellogg Co. There, he held several key leadership positions, including Vice President of Kellogg Co. and President of U.S. Snacks.

His focus on creating organizational value and supporting an empowering corporate culture in 2013 took him back to Wendy's, where he is now president and CEO and sits on the board of directors.

He is a member of the financial advisory board of the Broad College, where he was named its Outstanding Alumni Achievement award winner in 2017.

He also serves on the board of trustees of the Dave Thomas Foundation for Adoption, which last year marked 9,500 adoptions and this year expanded operations into Michigan.

KEYNOTE SPEAKERS

Doctoral Degree Ceremony

MARTA TIENDA

Marta Tienda began her academic career at MSU studying Spanish on a full scholarship. Today she is professor of sociology and public affairs and the Maurice P. Daring Professor in Demographic Studies at Princeton University.

The daughter of Mexican migrant laborers, she has carved out a brilliant career of academic activism on behalf of disadvantaged populations everywhere.

With more than 40 distinguished fellowships, visiting professorships and over \$8 million dollars in research grants, she has conducted groundbreaking research that has contributed immensely to our understanding of the relationship between population dynamics and societal processes.

As an author, co-author, or editor, she has published more than 200 scholarly monographs, articles, and contributed chapters on the socio-economic ramifications of racial and ethnic inequality.

Her work outside academia includes prestigious institutes, professional associations, foundations and government entities ranging from the MacArthur Foundation to the National Institutes of Health.

From such influential positions, she challenges scholarly and non-academic communities alike to address the profound implications of changing demographics in a globalizing world.

BACCALAUREATE DEGREES

- 25 undergraduate programs ranked in the top 20 nationally by U.S. News & World Report, including six No. 1-ranked programs
- Times Higher Education of London today ranked MSU #83 in its 2017 World University Rankings, an 18-place improvement over 2016. This puts MSU in the top 8 percent of 1,102 universities assessed around the world.
- Places 38th among the 303 U.S. universities ranked in Washington Monthly's 2017 College Guide and Rankings
- Ranks seventh in the nation for study abroad participation

Photo above left: Beaumont Tower, an MSU icon.

Photo above right: The Sower, an Art Deco bas-relief by Lee Lawrie (1922), over the Beaumont Tower entrance.

BACCALAUREATE DEGREES

HONORS

The University acknowledges candidates for the bachelor's degree who will graduate as Academic Scholars (A), from the Honors College (H), With Honor (*), or With High Honor (**). Academic Scholars completed a two-year honors program including at least four honors-caliber courses. Honors College graduates are academically talented students who have participated in rigorous, highly individualized programs of study, including at least eight honors-caliber courses.

Graduation Honors: the current minimum grade point average for seniors graduating With Honor is 3.78 and those graduating With High Honor is 3.94 (which is approximately 20 percent of graduating seniors who have earned the highest grade point averages). Recognition of graduation honors in the commencement program is based on the grade point average of all work at MSU completed prior to the opening of the semester of graduation. To be eligible for graduation honors, transfer students must earn a minimum of 50 semester credits at MSU.

BOARD OF TRUSTEES AWARDS

Awards are made at fall and spring commencements to the six or more graduating seniors who achieved the highest cumulative scholarly records by the close of the preceding semester. At least three-fourths of the credits for the

degree must be earned at Michigan State University with numerical grades by the close of the preceding semester. Fall, spring, and summer graduating seniors are eligible. The President of the University acts for the Board in determining the recipients of the awards.

These students have completed their Reserve Officers Training Corps education at Michigan State University and have received their commissions as reserve officers of the United States Air Force or the United States Army.

GRADUATE DEGREES AND GRADUATE PROFESSIONAL DEGREES

- Notable discoveries include homogenization of milk and the anticancer drug cisplatin
- *U.S. News & World Report* ranks MSU first in the nation for the last 22 years for graduate programs in elementary and secondary education
- External funding totaled nearly \$600 million in 2014–2015. The top federal funding agencies: National Science Foundation, U.S. Department of Health and Human Services, U.S. Department of Energy, and U.S. Department of Agriculture
- *U.S. News & World Report* ranks MSU first in the nation for graduate programs in nuclear physics, organizational psychology, and rehabilitation counseling
- MSU was selected by the U.S. Department of Energy to design and establish the Facility for Rare Isotope Beams, a more than \$700 million facility that will advance understanding of rare nuclear isotopes and the evolution of the cosmos and provide research opportunities for scientists and students from around the globe

“Until the moment degrees are conferred and diplomas presented, a university and its students are in a temporary relationship. Either can disclaim the other at any time before that final moment. But when commencement is concluded, Michigan State University places its stamp of approval upon you. You become part of this University . . . forever.”

John A. Hannah (1902-1991)
President, Michigan State University (1941-1969)
